

## Debt Snowball Worksheet

List your debts  
smallest to largest  
by balance

Try to make more than the minimum payment on your smallest debt balance to pay off that debt first. Continue to make minimum payments on the other debts. When the first smallest debt is paid off, go to the next debt and try to make more than the minimum payment to pay that off. Repeat this until you pay off all debts!

Debt Name	Debt Amount	Minimum Payment
<del>Target</del>	<del>\$1,750</del>	<del>\$75</del> PAID OFF!
Visa	\$3,600	\$125
Car Loan	\$5,000	\$150
